MEMORANDUM FOR: Colonel Sheffield Edwards

25X1A

SUBJECT : [redacted]

Chief :

25X1A

I have received your recent submission of Regulation No. [redacted]

This is the first visible result of our long talked of program to remove extensive procedural details from our Regulations and produce brief, concise Regulations of basic policies, authorities and related essential criteria for the exercise of authority.

I am very much impressed with this product and believe others will be equally impressed when it is coordinated and published. It will demonstrate what can be done to reduce the size of Regulations, and I fully intend to capitalize on the subject Regulation and Handbook by using them as an example. I hope and expect that the remainder of existing Security Regulations being rewritten will reflect the same degree of brevity and clarity.

I want to congratulate you and the members of your Office for this fine piece of work.
